SCHEDULES

THE ZANZIBAR FOOD, DRUGS AND COSMETICS ACT No. 2/2006

THE ZANZIBAR FOOD, DRUGS AND COSMETICS (FEES AND CHARGES) REGULATIONS, 2019

(Made under Section 123 (1)(i))

PART ONE
PRELIMINARY PROVISION

L.N 121 of 2020

IN EXERCISE of powers conferred upon me under section 123(i) of the Zanzibar Food, Drugs And Cosmetics Act No. 2 of 2006, **I, HAMAD RASHID MOHAMMED,** Minister for Health upon advice with the Zanzibar Food, Drugs and Cosmetics Agency do hereby make the following Regulations.

Short Tittle and commencement.

1. These Regulations may be cited as the Zanzibar Food, Drug and Cosmetics (Fees and Charges) Regulations, 2019, and shall come into operation upon published in the Official Gazette.

Application.

2. These Regulations shall apply in Zanzibar.

Interpretation.

3. In these Regulations unless the context otherwise required.

"Act" means the Zanzibar Food, Drugs and Cosmetics Act No. 2/2006 and it's Amendment Act No. 3/2017.

"Agency" means the Zanzibar Food, Drugs and Cosmetics Regulatory Agency or it's acronym "ZFDA" established under section 3 of Act No. 3/2017.

"Alteration or variation of fee" means a fee paid by a registrant in relation to alteration to be made regarding product, composition, formulation, packaging, labelling or any other changes relating to alteration made to registered product.

"Minister" means the Minister for the time being responsible for Health services.

"New medicine" means medicine whose chemical moiety is new, or little documented or in a new formulation with a new route of administration or with a new formulation;

"Old medicine " means a medicine whose chemical moiety is subjected to pharmacopeia documentation and it's pharmacological actions are known and well documented;

"pre-licensing or registration inspection" means inspection carried out on premises to verify compliance with requirement prior to granting of permit or registration certificate;

"Product carrier" means any box detachable compartment, tank or container, receptacle or any other arrangement in which a product may be carried in;

"Product dealer" means a product manufacturer, packer, importer, exporter, distributer, seller or any other dealer in any product business to which the Act applies;

"Product" means food, food products, medicines, herbal products, cosmetics, medical devices and diagnostics.

"Registrant" means any person who under his own name or under a trade, design or word mark, trade name or other name work or mark controlled by him intend to sale or sells food, drugs, cosmetics or medical devices and include a firm, partnership or cooperation.

"Registration certificate" means a certificate issued by the Agency in respect of a registered product, premises or person who deal with the business to which the Act applies.

"Restoration fees" means fees paid for restoration of,permit or registration certificate suspended by the Agency.

"Vertical programmes" means national disease control programmes for malaria, HIV/AIDs, tuberculosis and leprosy, immunization, neglected tropical diseases of public health importance recognized by the Agency.

PART TWO

Fees and Charges.

4.-(1) A person shall have to pay fees prescribed in the schedules in respect of the products and services regulated under the Acts.

(2) Fees and charges paid under these Regulations shall be paid in Tanzania shillings or US Dollar equal to the amount of Tanzania shillings or any convertible shilling equal the amount payable in Tanzania shillings.

(3) The Minister may upon advice of the Executive Director, change or vary any fees and charges in force at any time.

Appropriation of fees and charges.

5.-(1) Fees and charges paid under these Regulations shall be collected and appropriated by the Agency.

(2) Fees and charged payable under these Regulations shall not be refundable or transferable.

(3) Any person fails to pay renewal fees in time the fees stipulated in the Act and it's regulations shall, in addition to the due charge, pay penalty of 25% of the total amount payable.

(4)The Agency , where satisfied that the declared value do not reflect the actual cost which were to be used to calculate FOBs, may reject the importation approval or uplift the value of consignment to the cost that would be the value amount of the product or consignment.

Payment by order of the court.

6.-(1) When an order of the court requires a person to pay for fees and charges retrospectively for any regulated product or services, such pay shall include the calculated 25% of the total amount ought to have been paid prior to the court order.

(2) The fees and charges to be paid for FOBs as cost for regulating imported products shall be calculate and paid before service being rendered in the actual value of consignment declared by the importer.

Fees and charges for GMP inspection.

7.-(1) Fees paid for GMP inspection shall be determined and charged based on the manufacturing sites of the regulated product.

(2) The Agency shall charge additional fees not exceeding 25% for each additional production line or block.

Validity of proforma invoice.

8.-(1) All person importing or exporting regulated product shall pay the amount calculated based on the proforma invoice, invoice or receipt approved by Agency.

(2) The proforma invoice shall have the duration of six (6) months only and upon expiry, the same shall be deemed invalid.

Repeal and Savings.

9.-(1) The Pharmaceutical Product, Herbal product, and Second Schedule of Regulation of Slaughter of Animals for Human Consumption (Hygiene and Inspection) Regulations of 2015 are hereby repealed.

(2) Without prejudice to subsection (1) of this Section anything done according to the repealed provisions shall be deemed to have been done in accordance with the provision of this Regulations.

Offences and Penalty.

10. Any person who contravenes or fail to comply with these Regulations or directly or in directly help another person in committing an offence against this Regulations , commits an offence and shall be liable to the penalty prescribed under the Act.

Payment of Fees.

11.-(1) Payment of fees shall be done either through the following ways:-

(a) Direct to the ZFDA Bank Account Number 021103000579 Peoples Bank of Zanzibar (PBZ) Malindi Zanzibar.

(b) ZFDA Bank Account Number 04110000060 Peoples Bank of Zanzibar (PBZ) Chakechake.

(2) All bank charges shall be borne by applicants.

FIRST SCHEDULE

REGISTRATION /RENEWAL/ RETENTION/ NOTIFICATION /VARIATION of products

MEDICINE			
Human and Veterinary medicines (Domestic)			
	Service	**Currency**	**Fee**
1	Registration	TSH	250,000
2	Renewal	TSH	250,000
3	Variation –Major	TSH	100,000
4	Variation –Minor	TSH	50,000
5	Retention	TSH	100,000
6	Duplicate Certificate	TSH	50,000
Human, Veterinary Medicines and Biologicals (Imported)			
7	Registration	USD	1,000
8	Renewal	USD	1,000
9	Registration – biological	USD	2,000
10	Retention	USD	150
11	Variation – major	USD	500
12	Variation – minor	USD	150
13	Duplicate certificate	USD	50
14	Fast track registration- Pharmaceuticals	USD	Double the respective fee
COSMETICS			
Cosmetics, antiseptics, disinfectants and medicated soap			
15	Registration of antiseptics, disinfectants and medicated soap – domestics	TSH	70,000
16	Renewal	TZS	70,000
17	Retention of antiseptics, disinfectants and medicated soap –domestics	TSH	30,000
18	Duplicate certificate	TSH	10,000
19	Variation major	TSH	10,000

20	Variation – minor	TSH	5,000
21	Registration of antiseptics, disinfectants and medicated soap – imported	USD	80
22	Retention of antiseptics, disinfectants and medicated soap – imported	USD	25
23	Variation – major	USD	15
24	Variation – minor	USD	10
25	Duplicate certificate	USD	10
26	Registration or renewal of finished Cosmetics – domestic	TSH	50,000
27	Retention of finished Cosmetics – domestic	TSH	20,000
28	Duplicate certificate	TSH	7500
29	Variation – major	TSH	7500
30	Variation – minor	TSH	5000
31	Registration of finished Cosmetics – imported	USD	75
29	Retention of finished Cosmetics – imported	USD	20
30	Duplicate certificate	USD	10
31	Variation – major	USD	10
32	Variation – minor	USD	5
33	Fast track registration of cosmetics		Double respective fee
MEDICAL DEVICES AND DIAGNOSTICS			
Registration of medical devices – imported			
34	Class A	USD	200
35	Class B	USD	600
36	Class C	USD	1000
37	Class D	USD	1000
Retention of medical devices – imported			
38	Class A	USD	150
39	Class B	USD	250

40	Class C	USD	350
41	Class D	USD	500
42	Duplicate certificate	USD	50
43	Variation – major	USD	100
44	Variation – minor	USD	0
Registration of medical devices – domestic			
45	Class A	TSH	100,000
46	Class B	TSH	300,000
47	Class C	TSH	400,000
48	Class D	TSH	600,000
Retention of medical devices – domestic			
49	Class A	TSH	15,000
50	Class B	TSH	30,000
51	Class C	TSH	60,000
52	Class D	TSH	100,000
53	Duplicate certificate	TSH	30,000
54	Variation – major		30,000
55	Variation – minor		15,000
56	Fast track registration of medical devices		Double respective fee
Diagnostics			
Registration of IVD - (Imported)			
57	Class A	USD	100
58	Class B	USD	500
59	Class C	USD	750
60	Class D	USD	1000
61	Retention	USD	100
62	Duplicate certificate	USD	50
63	Variation – major	USD	500
64	Variation – minor	USD	200
Registration of IVD – (Domestic)			
65	Class A	TSH	50,000
66	Class B	TSH	200,000

67	Class C	TSH	500,000
68	Class D	TSH	500,000
69	Retention	TSH	100,000
70	Duplicate certificate	TSH	50,000
71	Variation – major	TSH	150,000
72	Variation – minor		100,000
73	Fast track registration of IVD		Double respective fee

FOOD					
			Domestic	**Imported**	
74	Milk and milk products	TSH	300,000	USD	300

		Alkalinity	10
		Fluorides	15
		Iodine	15
2.7	**Fats and oil**		
		Matter (Volatile at 105°c)	7
		Insoluble impurities	10
		Soap	5
		Metal (each) by AAS	100
		Refractive index	7
		Refractive density	7
		Saponification value	10
		Iodine value	15
		Free fatty acid	7
		Unsaponifiable matter	20
		Arachidonic acid	10
		Melting point	5
		Clarity	3
		Halphen	5
		Hex bromide	5
		Poly bromide	5
		Salt (as NaCl2)	20
		Peroxide / P.anicidine	7
		Colour by Tintometer	5

		Oil identification by GC	40
		Bondoin	5
		Bromine	5
		Chlorides	10
		Gossypol	15
		Fatty acid profile by GC	45
		Starch	10
2.8	**Tea, Coffee, Cocoa**		
		Physical	2
		pH	5
		Alkalinity of insoluble matter	20
		Microscopy	5
		Starch	10
		Sugar	10
		Fats	15
		Water soluble Ash	20
		Moisture	10
		Volatile oils	10
		Non-volatile oils	10
		Acid insoluble ash	20
		Calcium	20
		Extraneous matter	2
		Total ash	15
		Crude fibre	15
		Metal (each)	100
		Melting point of fats	5
		Microbiology	50
		Alcohol extract	15
		Water extract	10
		Salt (NaOH)	20
		Caffeine	20
		Aflatoxin	50

2.9	**Fish and Fish Product**		
		Physical	2
		Total volatile base	20
		Trimethylamine	20
		Indole	20
		Histamine	20
		Preservatives	15
		Pesticides residues	45
		Microbiology	100
		Metal (each)	100
		Protein	25
		Ash	15
		Volatile fatty acid	25
		Fat content	15
		Salt	20
		Hypoxanthine	20
		Boric acid	20
		Ammonia in crab	25
2.10	**Meat and Meat Products**		
		Physical	2
		Protein	25
		Moisture content	10
		Total volatile bases	20
		Thiobarbituric acid	20
		Benzoic acid	10
		Colour additives	20
		Metal (each) by AAS of FP	20
		Ash	15
		Phosphorous in meat	20
		Hydro proline	15
		Nitrate and nitrites	15
		Microbiology per test	50

		Carbohydrates	25
		Starch	15
		Fat	15
		Pesticide residues	45
		Antibiotic residues	45
		Precipitin	30
		Lean Meat	30

SIGNED on this 08th day of OCTOBER, 2020.

(HAMAD RASHID MOHAMMED)
MINISTER FOR HEALTH
ZANZIBAR
